## Schedule of Fees and Prizes

Ver 1.0

As Adopted on the 25th of January 2020 at the PLFA Ordinary Congress 2020

| Item                                  | Fee       | Starting Date  | Rationale / Prescript  |
|---------------------------------------|-----------|----------------|--|
| Membership Fee                        | R750.00   | 2021 01 01     | The Membership Fee has remained unchanged for more than 5 years. This increment will assist the association to afford its operations in this climate of ever increasing costs.   |
| Under 11 Team Registration Fee        | R360.00   | Already in Use | The Team Registration Fee is at cost level, ensuring affordability to all participants, whilst also covering the cost of Referees. This fee also include a small levy that will enable the association to operate. Constant Reviews are require to always synchronise with the volume of matches as informed by the number of teams registered.  |
| Under 13 Team Registration Fee        | R400.00   | Already in Use |  |

| Super League Team Registration Fee    | R3 920.00 | Already in Use |  |
| Under 11 League Prize - 1st Prize     | R1 100.00 | Already in Use | The League Prizes have remained unchanged over the last five years primarily because of the related income shrinking over the same period on time.<br><br>It is unsustainable to increase the cost of participation fees as a means of increasing the prizes. The Economy of the country has been on the decline over a number of years and this has a real impact in the lives of people, our very our Members. Therefore increase the fee of out Member in order to fund better prizes is not recommended.<br><br>There will be a dependancy on the association obtaining the sponsorship deals in order to improve the prizes. Over a number of year there was enough evidence that these Prize in turn contribute to the course of football development. Therefore the keep monitory prizes is beyond recognition. |
